○ Non-Working Holiday - If pickup falls on or after a Holiday, we will be one day behind the rest of that Holiday week.

DANGEROUS AND HAZARDOUS

Don't put our employees' lives in danger. Dispose of medical sharps/needles properly. Place in a puncture resistant container, such as a detergent bottle or plastic soda bottle with a screw top lid. Label: **MEDICAL SHARPS**. Deliver to the WLSSD Household Hazardous Waste Facility. Hartel's Disposal does **NOT ACCEPT** these items.

We will collect the following recyclable items:

Paper products newspaper (including all inserts), magazines, catalogs, telephone books, office/computer paper, shredded paper, envelopes, mail, chipboard/paperboard (like cereal boxes) and corrugated cardboard.

Shredded paper: Please Place in PAPER BAG.

Cardboard: If cardboard does not fit in recycling cart, cut into 2 x 2 pieces, flatten and place next to the cart.

Plastic bottles and containers with #1 thru #7 on the bottom (discard pumps).

NO PLASTIC BAGS will be accepted, they cannot be recycled at our facility. They can be dropped off at various local supermarkets and retailers for recycling.

Glass bottles and jars, clear, brown, and green colors are accepted (remove caps and lids and place in trash).

NO BROKEN glass will be accepted.

Metal food and beverage containers, tin and aluminum are recyclable, as well as empty aerosol cans (please remove plastic tips). **NO SCRAP METAL** will be accepted.

NOTE: All items MUST BE RINSED CLEAN for recycling.

Some materials other than listed above cause problems for our processing machines and ultimately end up compromising the NO-SORT recycling system.

HOW TO PREPARE RECYCLABLES

Place all material loose in cart. If you store your recyclables in a paper/plastic bag, please dump all recyclables from bag into cart. Paper bags can be tossed in cart. Plastic bags will not be accepted, place in trash. Shredded paper must be paper bagged and placed in cart.

RECYCLING PICK-UP

Recycling will be picked-up every other week. See calendar for schedule. Carts must be out by 5:30 am or the night before your pick-up day. **If you place two carts out, place one cart on each side of the driveway or least 5 feet apart.** To keep your expenses down, our automated collection system works best when the operators remain in their vehicles.

Proper placement of carts in the summer and especially in the winter is critical. Please review the guidelines on our website. www.hartels.com

ITEMS WE CANNOT RECYCLE!

Plastic bags, plastic film/wrap, styrofoam, packing peanuts, scrap metal, pots/pans, light bulbs, mirrors, window glass, ceramics, ovenware, dishes, drinking glasses, hangers, oil and antifreeze containers, paper towels, paper plates, furnace filters, pet food bags, yard waste, plant containers, construction waste, cat litter pails, and large plastic pails.
